

Airgo Comfort-Plus Lightweight Transport Chair

HCPCS:

- New and improved with more security and comfort enhancing features
- Flip-back detachable arms make it easier to transfer in and out, or simply get closer to a table
- Comfort-Grip 8" wheels provide shock absorption and better brake performance
- Anatomically correct seat-to-armrest height for a natural posture
- Fold-down back for easy transportation and storage
- Removable swing-away footrests with tool-free adjustment of length for greater comfort
- Heel-loops and seatbelt included as standard features for increased safety
- Dual locking rear wheels for safe, secure transfers
- Chip-resistant finishing and no sharp edges on hardware
- Lightweight and compact
